CPL (A) CONVERSION COURSE «FROM ICAO TO EASA»

CPL (A) CONVERSION COURSE «FROM ICAO TO EASA»

INTRODUCTION

The CPL (A) Conversion «from ICAO to EASA» Course is designed to convert an ICAO or FAA license to an EASA one.

The possibility is given to the candidate to obtain an EASA License by attending a Conversion Course and the basic training in accordance with the EASA Part-FCL regulations.

This Course is aimed at training pilots who have already attended their pilot training in another Country that is not located in Europe and does not operate in accordance with EASA.

The course is designed to equip students with the skills, knowledge, and experience needed to operate as a pilot in command of an aircraft in commercial operations under EASA regulations.

PRE - ENTRY REQUIREMENTS:

- Current - Valid ICAO CPL/IR/MEP
- EASA Medical (Class 1) Certificate
- ICAO Language Proficiency Level 4 (at least) issued by an EASA Approved examination centre

Before the Skill test the applicant shall meet minimum:

- 200 hrs total flight time (on aircraft)
